27 conflicts with the requirements of the national organic program.

1 (b) The department shall provide a person with written
2 notice of the department's intent to assess the person with an
3 administrative penalty or other sanction. If the department

25 response under Subsection (b). The appellant has the burden of
26 proof to establish, by a preponderance of the evidence, that proper
27 notice was not received by the appellant or that a proper response

1 under Subsection (b) was received by the department. If the
2 appellant prevails, the default judgment shall be vacated and the

15 with standards and procedures under the national organic program.

22 assessment.

24 are amended to read as follows:

25 (a) If an organic agricultural product [~~food or fiber~~] is
26 being sold or distributed in violation of this subchapter or a rule
27 adopted under this subchapter, the department may issue a written

1 order to stop the sale or distribution of the product [~~that item of~~
2 ~~food or fiber~~] by a person in control of the product [~~item~~]. The
3 product [~~person~~] named in the order may not be sold or distributed
4 while [~~sell the item~~] labeled, marketed, advertised, or otherwise
5 represented as "organic" until:

6 (1) permitted by a court under Subsection (b) [~~of this~~

9 distribution of the product [~~item~~] is in compliance with this
10 subchapter and rules adopted under this subchapter.

11 (b) A [~~The~~] person in control of the product named in the
12 order may bring suit in a court in the county where the product
13 [~~item~~] is located. After a hearing, the court may permit the
14 product [~~item~~] to be sold if the court finds the product [~~item~~] is
15 not being sold in violation of this subchapter or a department rule
16 issued under this subchapter.
