

A BILL TO BE ENTITLED

AN ACT

relating to an inquest when a body part is found.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Subsection (a), Article 49.04, Code of Criminal Procedure, is amended to read as follows:

(a) A justice of the peace shall conduct an inquest into the death of a person who dies in the county served by the justice if:

(1) the person dies in prison under circumstances other than those described by Section 501.055(b), Government Code, or in jail;

(2) the person dies an unnatural death from a cause other than a legal execution;

(3) the body or a body part of a person is found, the cause or circumstances of death are unknown, and:

(A) the person [~~body~~] is identified; or

(B) the person [~~body~~] is unidentified;

(4) the circumstances of the death indicate that the death may have been caused by unlawful means;

(5) the person commits suicide or the circumstances of the death indicate that the death may have been caused by suicide;

(6) the person dies without having been attended by a physician;

(7) the person dies while attended by a physician who is unable to certify the cause of death and who requests the justice of the peace to conduct an inquest; or

(8) the person is a child younger than six years of age

1 and an inquest is required by Chapter 264, Family Code.

2 SECTION 2. Subsections (a), (b), and (c), Article 49.07,  
3 Code of Criminal Procedure, are amended to read as follows:

4 (a) A physician or other person who has possession of a body  
5 or body part of a person whose death requires an inquest under  
6 Article 49.04 of this code shall immediately notify the justice of  
7 the peace who serves the precinct in which the body or body part was  
8 found.

9 (b) A peace officer who has been notified of the death of a  
10 person whose death requires an inquest under Article 49.04 of this  
11 code shall immediately notify the justice of the peace who serves  
12 the precinct in which the body or body part was found.

13 (c)(1) If the justice of the peace who serves the precinct  
14 in which the body or body part was found is not available to conduct  
15 an inquest, a person required to give notice under this article  
16 shall notify the nearest available justice of the peace serving the  
17 county in which the body or body part was found, and that justice of  
18 the peace shall conduct the inquest.

19 (2) If no justice of the peace serving the county in  
20 which the body or body part was found is available to conduct an  
21 inquest, a person required to give notice under this article shall  
22 notify the county judge, and the county judge shall initiate the  
23 inquest. The county judge may exercise any power and perform any  
24 duty otherwise granted to or imposed under this subchapter on the  
25 justice of the peace serving the county in which the body or body  
26 part was found, except that not later than the fifth day after the  
27 day on which the inquest is initiated, the county judge shall

1 transfer all information obtained by the judge to the justice of the  
2 peace in whose precinct the body or body part was found for final  
3 disposition of the matter.

4 SECTION 3. Subsection (a), Article 49.09, Code of Criminal  
5 Procedure, is amended to read as follows:

6 (a) If a body or body part subject to investigation under  
7 Article 49.04 of this code is interred and an authorized person has  
8 not conducted an inquest required under this subchapter, a justice  
9 of the peace may direct the disinterment of the body or body part in  
10 order to conduct an inquest.

11 SECTION 4. Subsection (n), Article 49.10, Code of Criminal  
12 Procedure, is amended to read as follows:

13 (n) On discovering the body or body part of a deceased  
14 person in the circumstances described by Article 49.04(a)(3)(B),  
15 the medical examiner may request the aid of a forensic  
16 anthropologist in the examination of the body or body part. The  
17 forensic anthropologist must be eligible for board certification by  
18 a nationally recognized association that accredits practitioners  
19 in the forensic sciences. The forensic anthropologist shall  
20 attempt to establish whether the body or body part is of a human or  
21 animal, whether evidence of childbirth, injury, or disease exists,  
22 and the sex, race, age, stature, and physical anomalies of the body  
23 or body part. The forensic anthropologist may also attempt to  
24 establish the cause, manner, and time of death.

25 SECTION 5. Subsection (a), Article 49.22, Code of Criminal  
26 Procedure, is amended to read as follows:

27 (a) If a body or body part that is subject to an inquest

1 under Article 49.04 of this code is found on premises that were  
2 under the sole control of the deceased, a justice of the peace or  
3 other person authorized under this subchapter to conduct an inquest  
4 may direct that the premises be locked and sealed to prohibit  
5 entrance by any person other than a peace officer conducting an  
6 investigation of the death.

7 SECTION 6. Subsection (a), Section 6, Article 49.25, Code  
8 of Criminal Procedure, is amended to read as follows:

9 (a) Any medical examiner, or his duly authorized deputy,  
10 shall be authorized, and it shall be his duty, to hold inquests with  
11 or without a jury within his county, in the following cases:

12 1. When a person shall die within twenty-four hours  
13 after admission to a hospital or institution or in prison or in  
14 jail;

15 2. When any person is killed; or from any cause dies an  
16 unnatural death, except under sentence of the law; or dies in the  
17 absence of one or more good witnesses;

18 3. When the body or a body part of a person is found,  
19 the cause or circumstances of death are unknown, and:

20 (A) the person [~~body~~] is identified; or

21 (B) the person [~~body~~] is unidentified;

22 4. When the circumstances of the death of any person  
23 are such as to lead to suspicion that he came to his death by  
24 unlawful means;

25 5. When any person commits suicide, or the  
26 circumstances of his death are such as to lead to suspicion that he  
27 committed suicide;

1           6. When a person dies without having been attended by a  
2 duly licensed and practicing physician, and the local health  
3 officer or registrar required to report the cause of death under  
4 Section 193.005, Health and Safety Code, does not know the cause of  
5 death. When the local health officer or registrar of vital  
6 statistics whose duty it is to certify the cause of death does not  
7 know the cause of death, he shall so notify the medical examiner of  
8 the county in which the death occurred and request an inquest;

9           7. When the person is a child who is younger than six  
10 years of age and the death is reported under Chapter 264, Family  
11 Code; and

12           8. When a person dies who has been attended  
13 immediately preceding his death by a duly licensed and practicing  
14 physician or physicians, and such physician or physicians are not  
15 certain as to the cause of death and are unable to certify with  
16 certainty the cause of death as required by Section 193.004, Health  
17 and Safety Code. In case of such uncertainty the attending  
18 physician or physicians, or the superintendent or general manager  
19 of the hospital or institution in which the deceased shall have  
20 died, shall so report to the medical examiner of the county in which  
21 the death occurred, and request an inquest.

22           SECTION 7. Section 13, Article 49.25, Code of Criminal  
23 Procedure, is amended to read as follows:

24           Sec. 13. USE OF FORENSIC ANTHROPOLOGIST. On discovering  
25 the body or body part of a deceased person in the circumstances  
26 described by Subdivision 3(B) of Section 6(a), the medical examiner  
27 may request the aid of a forensic anthropologist in the examination

1 of the body or body part. The forensic anthropologist must be  
2 eligible for board certification [~~board-certified~~] by a nationally  
3 recognized association that accredits practitioners in the  
4 forensic sciences. The forensic anthropologist shall attempt to  
5 establish whether the body or body part is of a human or animal,  
6 whether evidence of childbirth, injury, or disease exists, and the  
7 sex, race, age, stature, and physical anomalies of the body or body  
8 part. The forensic anthropologist may also attempt to establish  
9 the cause, manner, and time of death.

10 SECTION 8. This Act takes effect September 1, 2003.

11 SECTION 9. The change in law made by this Act applies only  
12 to the discovery of a body part of a person that is made on or after  
13 the effective date of this Act. A discovery made before the  
14 effective date of this Act is covered by the law in effect when the  
15 discovery was made, and the former law is continued in effect for  
16 that purpose.
