H.B. No. 3250

A BILL TO BE ENTITLED

AN ACT

relating to a study of flood control in certain counties.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. FLOOD CONTROL INTERIM STUDY

(a) The Texas House of Representatives shall conduct a study of:

(1) methods of flood control in Texas;

(2) local, state and federal flood control activities;

and

(3) governmental cooperation between local entities;

(4) improved governmental mechanisms to prioritize and streamline flood control efforts;

(5) the need for a regional system of flood control;

(5) the potential of flood control districts to improve flood control efforts;

SECTION 2: AREAS OF STUDY. The study shall include a county with a population not less than 1,300,000 and not more than 1,400,000, according to the most recent federal decennial census.

SECTION 3: A report on the study and recommendation shall be delivered to the lieutenant governor and the speaker of the house of representatives no later than November 1, 2004.

SECTION 4. This Act takes effect September 1, 2003.
