1	AN ACT
2	relating to motor vehicle inspection facilities near the border of
3	this state and Mexico.
4	BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:
5	SECTION 1. Section 201.613, Transportation Code, is amended
6	to read as follows:
7	Sec. 201.613. ONE-STOP BORDER INSPECTION FACILITIES
8	[STATIONS]. (a) The department shall <u>erect and maintain border</u>
9	[choose a location for an] inspection <u>facilities</u> [station] along a
10	major highway at or near a border crossing from Mexico in <u>the Pharr</u>
11	[Brownsville], [in] Laredo, and [in] El Paso <u>districts for the</u>
12	inspection of motor vehicles for compliance with federal and state
13	commercial motor vehicle regulations [so that all federal, state,
14	and municipal agencies that regulate the passage of persons or
15	vehicles across the border at that border crossing may be located in
16	one place].
17	(b) If a facility that serves a bridge that had more than
18	900,000 commercial border crossings during the state fiscal year
19	ending August 31, 2002, is to be located in a municipality or a
20	municipality's extraterritorial jurisdiction, the municipality may
21	choose the location of the facility within the municipality or the
22	municipality's extraterritorial jurisdiction. The municipality
23	shall choose a location not later than the 180th day after the date
24	the department makes a request for a location.

1

1 (1) Only one inspection facility shall be constructed 2 in the municipality referred to in this subsection. 3 (2) In determining the location for the border 4 inspection facility, the municipality shall obtain and pay for an 5 independent study completed by a university that conducts 6 transportation studies or any other entity that conducts 7 transportation studies to identify commercial truck traffic 8 patterns for the location at which the facility is to be located and 9 ensure that the location shall have adequate capacity to conduct a 10 sufficient number of meaningful vehicle safety inspections as 11 required by Safety of Cross-Border Trucking Between United States 12 and Mexico (Pub. L. No. 107-87, Section 350(9)) (49 U.S.C. Section 13 13902). 14 (c) To the extent the department considers appropriate to 15 expedite commerce, the department shall provide for implementation 16 by the appropriate agencies of the use of Intelligent 17 Transportation Systems for Commercial motor vehicle inspection 18 (1) any new commercial motor vehicle inspection 19 (1) any existing facility to which this section		II.D. 1	the systems.
2	(e) In implementing systems under Subsection (c) in the
3	construction of a facility, the department to the greatest extent
4	possible shall:
5	(1) enhance efficiency and reduce complexity for motor
6	carriers by providing:
7	(A) a single point of contact between carriers
8	and state and federal officials regulating the carriers; and
9	(B) a single point of information, available to
10	wireless access, about federal and state regulatory and enforcement
11	<u>requirements;</u>
12	(2) prevent duplication of state and federal
13	procedures and locations for regulatory and enforcement
14	activities, including consolidation of collection of applicable
15	fees;
16	(3) link information systems of the department, the
17	Department of Public Safety, the comptroller, and, to the extent
18	possible, the United States Department of Transportation and other
19	appropriate regulatory and enforcement entities; and
20	(4) take other necessary action to:
21	(A) facilitate the flow of commerce;
22	(B) assist federal interdiction efforts;
23	(C) protect the environment by reducing idling
24	time of commercial motor vehicles at the facilities;
25	(D) prevent highway damage caused by overweight
26	commercial motor vehicles; and
27	(E) seek federal funds to assist in the

implementation of this section. [The department shall establish and maintain an inspection station at the locations chosen in Subsection (a) only if the federal agencies involved in the regulation of the passage of persons or vehicles at that border crossing agree to the design of the facility at each location and agree to use the facility at each location if built.

7 [(c) The department may enter into agreements with federal, 8 state, and municipal agencies to accomplish the purpose of this 9 section. An agreement may involve the lease of office space at the 10 inspection station by the department to the agency.]

SECTION 2. The Texas Department of Transportation shall spend the money appropriated during the 76th Legislature for Section 201.613, Transportation Code, as added by Chapter 1527, Acts of the 76th Legislature, Regular Session, 1999, or money received from the federal government to establish the border inspection facilities under Section 201.613, Transportation Code, as amended by this Act.

18 SECTION 3. This Act takes effect immediately if it receives 19 a vote of two-thirds of all the members elected to each house, as 20 provided by Section 39, Article III, Texas Constitution. If this 21 Act does not receive the vote necessary for immediate effect, this 22 Act takes effect September 1, 2003.
