18 legislature finds that the boundaries and field notes of the  
19 district form a closure. A mistake in the field notes or in copying  
20 the field notes in the legislative process does not affect the  
21 organization, existence, or validity of the district, the right of  
22 the district to issue bonds or refunding bonds or pay the principal  
23 and interest on bonds, or the legality or operation of the district  
24 or its governing body.

25 SECTION 5. FINDING OF BENEFIT. The legislature finds that  
26 all of the land and other property included within the boundaries of  
27 the district will be benefited by the works and projects that are to

1 be accomplished by the district under powers conferred by Section  
2 59, Article XVI, Texas Constitution, and that the district is  
3 created to serve a public use and benefit.

4 SECTION 6. POWERS. (a) The district has all of the rights,  
5 powers, privileges, authority, functions, and duties provided by  
6 the general law of this state, including Chapters 49 and 65, Water  
7 Code, applicable to special utility districts created under Section  
8 59, Article XVI, Texas Constitution, except as specifically limited  
9 by this Act, as follows:

10 (1) for six years from the effective date of this Act,  
11 the district shall limit the exercise of its powers related to the  
12 provision of public water utility service to territory located  
13 within the boundaries of the district or as authorized by  
14 Certificate of Convenience and Necessity No. 10081;

15 (2) for six years from the effective date of this Act  
16 the district may not provide wastewater service, solid waste  
17 service, fire-fighting service, or stormwater, flood control, and  
18 drainage services and may not convert to or otherwise become a  
19 municipal utility district, absent the express written consent of  
20 any city with extraterritorial jurisdiction that overlaps the  
21 district's boundaries.

22 (b) Nothing in this Act shall be construed to impair the  
23 district's ability or right to obtain tax-exempt bond financing or  
24 a state sales tax exemption or impair any other right or benefit  
25 under Chapter 65, Water Code, or other applicable law consistent  
26 with the powers granted by this Act and not in conflict with the  
27 prohibitions of this Act.

1           (c) On or after six years from the effective date of this  
2 Act, if the district desires to exercise any of the powers  
3 restricted by this Act, the district must file an application with  
4 the Texas Commission on Environmental Quality, if allowed by the  
5 law in existence at that time, to exercise those additional powers.  
6 In addition to filing an application seeking expansion of its  
7 powers, the district must apply for a Sewer Certificate of
