7 certified tax appraisal roll for Harris County; or

8 (2) at least 25 persons who own real property in the
9 district or the area of the district that will be subject to the
10 assessment, if more than 25 persons own real property in the
11 district or area that will be subject to the assessment as
12 determined by the most recent certified tax appraisal roll for
13 Harris County.

14 SECTION 5. Section 376.170, Local Government Code, is
15 amended to read as follows:

16 Sec. 376.170. EXEMPTION OF PUBLIC UTILITY FROM FEE OR

23 SECTION 6. Subchapter E, Chapter 376, Local Government
24 Code, is amended by adding Section 376.171 to read as follows:

25 Sec. 376.171. USE OF ELECTRICAL OR OPTICAL LINES. (a) The

1 telephone lines, cable or fiber optic lines, or any other type of
2 electrical or optical line;

3 (2) removing poles and any elevated lines using the
4 poles; and

5 (3) reconnecting the lines described by Subdivision
6 (2) to the buildings or other improvements to which the lines were
7 connected.

8 (b) The district may finance, acquire, construct, improve,
9 operate, maintain, or charge fees for the use of:

10 (1) telecommunications networks, fiber-optic cable,
11 electronic transmission lines, or other types of transmission lines
12 and supporting facilities; or

13 (2) conduits for a line or facility described by

15 SECTION 7. Subchapter E, Chapter 376, Local Government
16 Code, is amended by adding Section 376.172 to read as follows:

17 Sec. 376.172. PUBLIC TRANSIT SYSTEM AND PARKING FACILITIES.

18 (a) The district may acquire, lease as lessor or lessee, construct,
19 develop, own, operate, and maintain a public transit system to
20 serve the area within the boundaries of the district.

21 (b) Before the district may act under Subsection (a), a
22 petition must be filed with the district requesting the action with
23 regard to a public transit system. The petition must be signed by
24 owners of property representing a majority of either the total
25 assessed value or the area of the real property in the district that
26 abuts the right-of-way in which the public transit system is
27 proposed to be located. The determination of a majority is based on

1 the property owners along the entire right-of-way of the proposed
2 transit project and may not be calculated on a block-by-block
3 basis.

4 (c) The district may acquire, lease as lessor or lessee,
5 construct, develop, own, operate, and maintain parking facilities,
6 including:

7 (1) lots, garages, parking terminals, or other
8 structures or accommodations for the parking of motor vehicles; and

9 (2) equipment, entrances, exits, fencing, and other
10 accessories necessary for safety and convenience in the parking of
11 vehicles.

12 (d) A parking facility of the district must be either leased
13 to or operated on behalf of the district by a private entity or an
14 entity other than the district. The district's parking facilities
15 are a program authorized by the legislature under Section 52-a,
16 Article III, Texas Constitution, and accomplish a public purpose
17 under that section even if leased or operated by a private entity
18 for a term of years.

19 (e) The district's public parking facilities and any lease
20 to a private entity are exempt from the payment of ad valorem taxes
21 and state and local sales and use taxes.

22 (f) The district may use any of its resources, including
23 revenues, assessments, taxes, and grant or contract proceeds, to
24 pay the cost of acquiring and operating a public transit system or
25 public parking facilities.

26 (g) The district may adopt rules and regulations covering
27 its public transit system or its public parking facilities except

1 that any rules relating to or affecting the use of the public
2 right-of-way or requirements for off-street parking must be subject
3 to all applicable municipal charter, code, or ordinance
4 requirements.

5 (h) The district may set and impose fees, charges, or tolls
6 for the use of the public transit system or the public parking
7 facilities and may issue bonds or notes to finance the cost of these
8 facilities.

9 (i) Except as provided by Subsection (b), if the district
10 pays for or finances the cost of acquiring or operating a public
11 transit system or public parking facilities with resources other
12 than assessments, a petition of property owners or a public hearing
13 is not required.

14 (j) If the district's acquisition of property for a parking
15 facility that is leased to or operated by a private entity results
16 in the removal from a taxing unit's tax rolls of real property
17 otherwise subject to ad valorem taxation, the district shall pay to
18 the taxing unit in which the property is located, on or before
19 January 1 of each year, as a payment in lieu of taxes, an amount
20 equal to the ad valorem taxes that otherwise would have been levied
21 for the preceding tax year on that real property by the taxing unit,
22 without including the value of any improvements constructed on the
23 property.

24 SECTION 8. (a) The legislature validates and confirms all
25 acts and proceedings of the Harris County Improvement District No.
26 3 and the district's board of directors that occurred before the
27 effective date of this Act, including changing the district's name

1 from the "Upper Kirby Management District" to "Harris County
2 Improvement District No. 3."

3 (b) This section does not apply to any matter that on the
4 effective date of this Act:

5 (1) is involved in litigation, if the litigation
6 ultimately results in the matter being held invalid by a final
7 judgment of a court with jurisdiction; or

8 (2) has been held invalid by a court with
9 jurisdiction.

10 SECTION 9. This Act takes effect immediately if it receives
11 a vote of two-thirds of all the members elected to each house, as
12 provided by Section 39, Article III, Texas Constitution. If this
13 Act does not receive the vote necessary for immediate effect, this
14 Act takes effect September 1, 2003.
