

R E S O L U T I O N

1           WHEREAS, Professor John H. Lienhard, a distinguished member  
2 of the University of Houston faculty, will be inducted into the  
3 National Academy of Engineering in recognition of his many  
4 exemplary contributions to the theory and practice of his  
5 profession; and

6           WHEREAS, Dr. Lienhard, the M. D. Anderson Professor Emeritus  
7 of Technology and Culture in the Cullen College of Engineering, is  
8 the author of several books and hundreds of papers; the host of the  
9 public radio show "The Engines of Our Ingenuity," he has written a  
10 book due to be published by Oxford Press later this year entitled  
11 *Inventing Modern: An Engineer Looks for Twentieth Century America*;  
12 he was elected to the national academy "for creating the awareness  
13 of engineering in the development of cultures and civilizations,"  
14 among other impressive professional achievements; and

15           WHEREAS, The history of the Lone Star State has been forged by  
16 Texans who value innovation, creativity, careful analysis, and bold  
17 synthesis, and the work of this outstanding scientist will help  
18 shape the destiny of our state for many generations to come; now,  
19 therefore, be it

20           RESOLVED, That the House of Representatives of the 78th Texas  
21 Legislature hereby congratulate John Lienhard of the University of  
22 Houston on his 2003 induction into the National Academy of  
23 Engineering and extend to him best wishes for continued success and  
24 happiness in his future endeavors; and, be it further

H.R. No. 1506

1           RESOLVED, That an official copy of this resolution be  
2 prepared for Dr. Lienhard as an expression of high regard by the  
3 Texas House of Representatives.

Wong

H.R. No. 1506

---

Speaker of the House

I certify that H.R. No. 1506 was adopted by the House on May 30, 2003, by a non-record vote.

---

Chief Clerk of the House
