4 Section 9(f), to enable the conference committee appointed to
5 resolve the differences on House Bill 3459, relating to fiscal
6 matters involving certain governmental educational entities,
7 including public school finance, program compliance monitoring by
8 the Texas Education Agency, amounts withheld from and the use of

14 following matter:

15 House Rule 13, Section 9(a)(4), is suspended to permit the
16 committee to add SECTIONS 5, 28, 43, 44, 45, 59, 68, 69, 73, 74, 78,
17 and 79 to read as follows:

18 SECTION 5. Section 11.151, Education Code, is amended by
19 adding Subsection (e) to read as follows:

3 that in the 1999-2000 school year did not offer each grade level
4 from kindergarten through 12 may elect to have its wealth per
5 student determined under this section.

6 (e) This section expires September 1, 2004.

7 (b) This section prevails over any other Act of the 78th
8 Legislature, Regular Session, 2003, amending Sections 41.0021(a)
9 and (e), Education Code.

10 SECTION 43. Section 822.001, Government Code, is amended by

26 of trustees by rule shall determine how much service in any year is

1 person's service in one school year be creditable as more than one
2 year of service. Service that has been credited by the retirement
3 system on annual statements for a period of five or more years may
4 not be deleted or corrected because of an error in crediting unless
5 the error concerns three or more years of service credit or was
6 caused by fraud.

7 (b) The rules adopted by the board of trustees under
8 Subsection (a) must provide that the 90-day waiting periods
9 described by Sections 822.001(c) and (d) be applied with regard to
10 contributions during a member's first year of service under either
11 of those subsections in a manner that, to the greatest extent
12 possible, minimizes the cost to the retirement system. This
13 subsection expires September 1, 2005.

14 SECTION 45. Subchapter E, Chapter 823, Government Code, is

21 by depositing with the retirement system, for each month of service
22 credit, the actuarial present value, at the time of deposit, of the
23 additional standard retirement annuity benefits that would be
24 attributable to the purchase of the service credit under this
25 section, based on rates and tables recommended by the retirement
26 system's actuary and adopted by the board of trustees.

27 (c) After a member makes the deposits required by this

1 section, the retirement system shall grant the member one month of
2 equivalent membership service credit for each month of credit
3 approved.

4 (d) The retirement system shall deposit the amount of the
5 actuarial present value of the service credit purchased in the
6 member's individual account in the employees saving account.

7 (e) The board of trustees may adopt rules to administer this

26 (a)(1).

27 (d) In addition to the purposes for which the qualifying

1 entities account may be used, the board may use money in the account
2 to award grants to the Health and Human Services Commission for
3 technology initiatives of the commission.

4 SECTION 68. Notwithstanding any conflicting provision of
5 H.B. No. 1, Acts of the 78th Legislature, Regular Session, 2003, the
6 guaranteed level of state and local funds per weighted student per
7 cent of tax effort is \$25.81. This subsection does not affect a
8 school district's entitlement to any additional revenue under H.B.
9 No. 1, Acts of the 78th Legislature, Regular Session, 2003.

10 SECTION 69. Of the amounts appropriated by H.B. No. 1, Acts
11 of the 78th Legislature, Regular Session, 2003, to the Texas

20 this Act, and Section 823.406, Government Code, as added by this
21 Act, apply only to a person who is first employed on or after the
22 effective date of this Act and to a former employee who has
23 withdrawn retirement contributions under Section 822.003,
24 Government Code, and is reemployed on or after the effective date of
25 this Act.

26 SECTION 74. The requirements of Section 823.002(b),
27 Government Code, as added by this Act, apply to persons whose

1 employment begins on or after the effective date of this Act. The
2 board of trustees of the Teacher Retirement System of Texas shall
3 adopt rules implementing the requirements of that subsection as
4 soon as practicable after the effective date of this Act.

5 SECTION 78. Chapter 466, Government Code, is amended by
6 adding Subchapter J to read as follows:

7 SUBCHAPTER J. PARTICIPATION IN MULTIJURISDICTION LOTTERY GAME

8 Sec. 466.451. MULTIJURISDICTION AGREEMENT AUTHORIZED. The
9 commission may enter into a written agreement with the appropriate

17 of tickets in this state for a multijurisdiction lottery game is
18 subject to Subchapter H.

19 (b) The commission may deposit a portion of the revenue
20 received from the sale of multijurisdiction lottery game tickets in
21 this state into a fund shared with other parties to an agreement
22 under this subchapter for the payment of prizes awarded in
23 multijurisdiction lottery games in which the commission
24 participates. The commission may retain that revenue in the fund
25 for as long as necessary to pay prizes claimed during the period

5 date of this Act, the Texas Lottery Commission shall adopt the rules
6 necessary to implement multijurisdiction lottery games in
7 accordance with Subchapter J, Chapter 466, Government Code, as
8 added by this Act.

9 (b) The Texas Lottery Commission may adopt an emergency rule
10 under Subsection (a) of this section without prior notice or
11 hearing, or with any abbreviated notice and hearing as the
12 commission finds practicable, for the implementation of the change
13 in law made by Subchapter J, for multijurisdiction lottery games,
14 Chapter 466, Government Code. Section 2001.034, Government Code,

18 promptly implement Subchapter J, Chapter 466, Government Code, as
19 added by this Act, a contract for the acquisition or provision of

10 state and local funds per weighted student per cent of tax effort is
11 \$25.81, to permit the commissioner of education to use certain
12 funds for purposes of the instructional facilities allotment under
13 Subchapter A, Chapter 46, Education Code, and to permit the Texas
14 Lottery Commission to participate in a multijurisdiction lottery
15 game or games.
