23 the district to issue bonds or refunding bonds or pay the principal  
24 and interest on bonds, or the legality or operation of the district

26 SECTION 5. FINDING OF BENEFIT. The legislature finds that  
27 all of the land and other property included within the boundaries of

1 the district will be benefited by the works and projects that are to  
2 be accomplished by the district under powers conferred by Section  
3 59, Article XVI, Texas Constitution, and that the district is  
4 created to serve a public use and benefit.

5 SECTION 6. POWERS. (a) The district has all of the rights,  
6 powers, privileges, authority, functions, and duties provided by  
7 the general law of this state, including Chapters 49 and 65, Water  
8 Code, applicable to special utility districts created under Section  
9 59, Article XVI, Texas Constitution, except as specifically limited  
10 by this Act, as follows:

11 (1) for six years from the effective date of this Act,  
12 the district shall limit the exercise of its powers related to the  
13 provision of public water utility service to territory located  
14 within the boundaries of the district or as authorized by  
15 Certificate of Convenience and Necessity No. 10081;

16 (2) for six years from the effective date of this Act  
17 the district may not provide wastewater service, solid waste  
18 service, fire-fighting service, or stormwater, flood control, and  
19 drainage services and may not convert to or otherwise become a  
20 municipal utility district, absent the express written consent of  
21 any city with extraterritorial jurisdiction that overlaps the  
22 district's boundaries.

23 (b) Nothing in this Act shall be construed to impair the  
24 district's ability or right to obtain tax-exempt bond financing or  
25 a state sales tax exemption, or impair any other right or benefit  
26 under Chapter 65, Water Code, or other applicable law consistent  
27 with the powers granted by this Act and not in conflict with the

1 prohibitions of this Act.

2 (c) On or after six years from the effective date of this  
3 Act, if the district desires to exercise any of the powers
