23-33 SECTION 4. FINDINGS RELATING TO BOUNDARIES. The
 23-34 legislature finds that the boundaries and field notes of the
 23-35 district form a closure. A mistake in the field notes or in copying
 23-36 the field notes in the legislative process does not affect the
 23-37 organization, existence, or validity of the district, the right of
 23-38 the district to issue bonds or refunding bonds or pay the principal
 23-39 and interest on bonds, or the legality or operation of the district
 23-40 or its governing body.

23-41 SECTION 5. FINDING OF BENEFIT. The legislature finds that
 23-42 all of the land and other property included within the boundaries of
 23-43 the district will be benefited by the works and projects that are to
 23-44 be accomplished by the district under powers conferred by Section
 23-45 59, Article XVI, Texas Constitution, and that the district is
 23-46 created to serve a public use and benefit.

23-47 SECTION 6. POWERS. (a) The district has all of the rights,
 23-48 powers, privileges, authority, functions, and duties provided by
 23-49 the general law of this state, including Chapters 49 and 65, Water
 23-50 Code, applicable to special utility districts created under Section
 23-51 59, Article XVI, Texas Constitution, except as specifically limited
 23-52 by this Act, as follows:

23-53 (1) for six years from the effective date of this Act,
 23-54 the district shall limit the exercise of its powers related to the
 23-55 provision of public water utility service to territory located
 23-56 within the boundaries of the district or as authorized by
 23-57 Certificate of Convenience and Necessity No. 10081;

23-58 (2) for six years from the effective date of this Act
 23-59 the district may not provide wastewater service, solid waste
 23-60 service, fire-fighting service, or stormwater, flood control, and
 23-61 drainage services and may not convert to or otherwise become a
 23-62 municipal utility district, absent the express written consent of
 23-63 any city with extraterritorial jurisdiction that overlaps the
 23-64 district's boundaries.

23-65 (b) Nothing in this Act shall be construed to impair the
 23-66 district's ability or right to obtain tax-exempt bond financing or
 23-67 a state sales tax exemption, or impair any other right or benefit
 23-68 under Chapter 65, Water Code, or other applicable law consistent
 23-69 with the powers granted by this Act and not in conflict with the

24-1 prohibitions of this Act.

24-2 (c) On or after six years from the effective date of this
 24-3 Act, if the district desires to exercise any of the powers
 24-4 restricted by this Act, the district must file an application with
 24-5 the Texas Commission on Environmental Quality, if allowed by the
 24-6 law in existence at that time, to exercise those additional powers.
 24-7 In addition to filing an application seeking expansion of its
 24-8 powers, the district must apply for a Sewer Certificate of
 24-9 Convenience and Necessity if the district desires to provide retail
 24-10 wastewater service. Notice and a copy of an application for
 24-11 expansion of powers shall be provided to each municipality whose
 24-12 jurisdiction, including extraterritorial jurisdiction, overlaps
 24-13 the district's boundaries, in addition to complying with any other
 24-14 applicable notice requirements. If a municipality that is entitled
 24-15 to the notice required by this section timely files a request for a
 24-16 contested case hearing within 60 days after receipt of the notice,
 24-17 the Texas Commission on Environmental Quality shall directly refer
 24-18 the application to the State Office of Administrative Hearings for
 24-19 a contested case hearing.

24-20 (d) This Act prevails over any provision of general law that
 24-21 is in conflict with or inconsistent with this Act.

24-22 (e) The rights, powers, privileges, authority, functions,
 24-23 and duties of the district are subject to the continuing right of
 24-24 supervision of the state to be exercised by and through the Texas
 24-25 Commission on Environmental Quality.

24-26 SECTION 7. REGULATORY CONFLICTS. If a municipality asserts
 24-27 regulatory authority, including water quality standards, over any
 24-28 geographic area lying within the jurisdiction of the district, the
 24-29 regulation of the municipality shall control over that of the
 24-30 district in the event of a regulatory conflict with the district.
 24-31 This section does not apply to potable water quality standards or to
 24-32 disputes relating to retail water utility service areas.

24-33 SECTION 8. BOARD OF DIRECTORS. (a) The district is
 24-34 governed by a board of not less than five and not more than 11
 24-35 directors. There shall be nine initial directors.

 24-37 elected under Chapters 49 and 65, Water Code.

24-51 (b) The temporary directors shall execute their official
 24-52 bonds and take their official oath of office. The bonds shall be
 24-53 approved by the board of directors of the district and each bond and
 24-54 oath shall be filed with the district and retained in its records.

24-55 (c) If a temporary director fails to qualify for office, the
 24-56 temporary directors who have qualified shall appoint a person to
 24-57 fill the vacancy. If at any time there are fewer than five
 24-58 qualified temporary directors for any reason, the Texas Commission
 24-59 on Environmental Quality shall appoint the necessary number of
 24-60 directors to fill all vacancies on the board.

24-61 SECTION 10. CONFIRMATION AND INITIAL DIRECTORS' ELECTION.
 24-62 (a) The temporary board of directors shall call and hold an
 24-63 election to confirm establishment of the district and to elect the
 24-64 initial directors as provided by Chapters 49 and 65, Water Code.

24-65 (b) Section 41.001(a), Election Code, does not apply to an
 24-66 election held under this section.

24-67 (c) The temporary board of directors shall determine the
 24-68 method for determining the initial term of each person on the
 24-69 initial board of directors. The terms must be clearly stated on the

ballot for the confirmation and directors' election.

(d) The initial board of directors shall file with the Texas Commission on Environmental Quality an order canvassing the confirmation election returns not later than 30 days after the election.

(e) Upon a successful confirmation election, the assets, debts, and contractual rights and obligations of Johnson County Rural Water Supply Corporation shall be transferred to the district and dissolution proceedings of Johnson County Rural Water Supply Corporation shall be commenced within 30 days after such transfer.

(f) Upon a successful confirmation election and dissolution of Johnson County Rural Water Supply Corporation, Certificate of Convenience and Necessity No. 10081 shall be issued by the Texas Commission on Environmental Quality in the name of the district.

(g) If the establishment of the district has not been confirmed at an election held under this section before the second anniversary of the effective date of this Act, this Act expires on that date.

(b) In adopting rules under this Act, the district is subject to Subchapter B, Chapter 2001, Government Code, as if the district were a state agency.

SECTION 12. FINDINGS RELATING TO PROCEDURAL REQUIREMENTS.
