Sec. 17.462. LISTING OF BUSINESS LOCATION IN DIRECTORY OR DATABASE. (a) A person may not misrepresent the geographical location of a business that derives 50 percent or more of its gross income from the sale or arranging for the sale of flowers or floral arrangements in the listing of the business in a telephone directory or other directory assistance database.

(b) A person is considered to misrepresent the geographical location of a business for purposes of Subsection (a) if the name of the business indicates that the business is located in a geographical area and:

(3) a telephone call to the local telephone number listed in the directory or database routinely is forwarded or transferred to a location that is outside the calling area covered by the directory or database in which the number is listed.

1 (c) A person may place a directory listing for a business
2 described by Subsection (a) the name of which indicates that it is
3 located in a geographical area that is different from the
4 geographical area in which the business is located if a conspicuous
5 notice in the listing states the municipality and state in which the
6 business is located.

7 (d) This section does not apply to a publisher of a
8 telephone directory or other publication or a provider of a
9 directory assistance service publishing or providing information
10 about another business.
