S.B. No. 401

A BILL TO BE ENTITLED

AN ACT

2 relating to testing certain public safety personnel for accidental3 exposure to hepatitis B or hepatitis C.

4

1

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

5 SECTION 1. Subsection (b), Section 81.095, Health and 6 Safety Code, is amended to read as follows:

This subsection applies only in a case of accidental 7 (b) exposure of certified emergency medical services personnel, a 8 firefighter, a peace officer, or a first responder who renders 9 assistance at the scene of an emergency or during transport to the 10 hospital to blood or other body fluids of a patient who 11 is 12 transported to a licensed hospital. The hospital receiving the 13 patient, following a report of the exposure incident, shall take reasonable steps to test the patient for hepatitis B or hepatitis C 14 15 if the report shows there is significant risk to the person exposed. The [person exposed, or the] organization that employs the person 16 or for which the person works as a volunteer in connection with 17 rendering the assistance $[\tau]$ is responsible for paying the costs of 18 19 the test. The hospital shall provide the test results to the department or to the local health authority, which are responsible 20 for following the procedures prescribed by Section 81.050(h) to 21 22 inform the person exposed and, if applicable, the patient regarding 23 the test results. The hospital shall follow applicable reporting requirements prescribed by Subchapter C. This subsection does not 24

1

1 impose a duty on a hospital to provide any further testing, 2 treatment, or services or to perform further procedures.

S.B. No. 401

3 SECTION 2. This Act takes effect immediately if it receives 4 a vote of two-thirds of all the members elected to each house, as 5 provided by Section 39, Article III, Texas Constitution. If this 6 Act does not receive the vote necessary for immediate effect, this 7 Act takes effect September 1, 2003.
