A BILL TO BE ENTITLED

AN ACT

1
2 relating to participation in, contributions to, and benefits and
3 administration of retirement systems for police officers in certain
4 municipalities.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

6 SECTION 1. Section 5.02, Chapter 452, Acts of the 72nd
7 Legislature, Regular Session, 1991 (Article 6243n-1, Vernon's
8 Texas Civil Statutes), is amended by adding Subsections (d) and (e)
9 to read as follows:

10 (d) The police retirement board may by rule establish
11 additional requirements that a person must meet in order to receive
12 credit under this section.

13 (e) The police retirement board may by rule provide that no
14 person may receive credit under this section after a date set forth
15 in that rule.

16 SECTION 2. Chapter 452, Acts of the 72nd Legislature,
17 Regular Session, 1991 (Article 6243n-1, Vernon's Texas Civil
18 Statutes), is amended by adding Section 5.05 to read as follows:

19 SEC. 5.05. PERMISSIVE SERVICE CREDIT. (a) The police retirement
20 board may by rule provide that a member or eligible surviving spouse
21 of a member may establish creditable service by depositing with the
22 retirement system the actuarial present value, at the time of
23 deposit, of the additional life annuity (modified cash refund)
24 defined in Section 6.01 of this Act that would be attributable to

1 the purchase of the service credit under this section, based on
2 rates and tables recommended by the retirement system's actuary and
3 adopted by the board of trustees.

4 (b) Prior to allowing the purchase of service credit under
5 this section, the police retirement board shall adopt rules
6 relating to the maximum amount of credit which may be purchased by a
7 person under this section, the eligibility requirements that a
8 person must satisfy before purchasing credit under this section,
9 and such other matters as the board considers necessary for the
10 administration of this section.

11 (c) The board may not adopt a rule authorizing the purchase
12 of credit under this section unless the board has obtained an
13 actuarial study indicating that adoption of the rule will not make
14 the retirement system financially unsound and that, after adoption
15 of the rule, the retirement system's unfunded actuarial liability
16 can be amortized within the maximum amortization period adopted by
17 the Governmental Accounting Standards Board.

18 (d) The board may not adopt a rule authorizing the purchase
19 of credit under this section if that rule would be inconsistent with
20 the requirements of the Internal Revenue Code of 1986 (26 U.S.C.
21 Section 1 et seq.) and its successors.

22 (e) The board may modify or repeal a rule adopted under this
23 section. A modification of a rule adopted under this section must
24 comply with the requirements of this section.

25 SECTION 3. Subsection (c), Section 6.05, Chapter 452, Acts
26 of the 72nd Legislature, Regular Session, 1991 (Article 6243n-1,
27 Vernon's Texas Civil Statutes), is amended to read as follows:

1 (c) In the event of death of a member receiving a retirement
2 benefit, the sum of \$7,500 shall be payable in a lump sum to the
3 member's beneficiary or, if no beneficiary, to the member's estate,
4 unless the member shall have directed otherwise in writing, duly
5 acknowledged and filed with the board. The payment under this
6 subsection shall be made from the retiree death benefits fund
7 described in Section 6.08.

8 SECTION 4. Subsection (j), Section 6.07, Chapter 452, Acts
9 of the 72nd Legislature, Regular Session, 1991 (Article 6243n-1,
10 Vernon's Texas Civil Statutes), is amended to read as follows:

11 (j) The board may modify or eliminate the RETRO DROP
12 provisions of this section by the adoption of board rules [~~until~~
13 ~~August 31, 2002. At that time, the board's actuary shall study the~~
14 ~~effects of the RETRO DROP provisions of this section and report the~~
15 ~~results of the study to the board. Based on the report, the board~~
16 ~~may decide to continue with, modify, or eliminate the RETRO DROP~~
17 ~~provisions by the adoption of board rules] if the modification or
18 elimination is approved by the board's actuary and would not cause
19 the amortization period for the retirement system's unfunded
20 actuarial liability to exceed the maximum amortization period
21 adopted by the Governmental Accounting Standards Board.~~

22 SECTION 5. Chapter 452, Acts of the 72nd Legislature,
23 Regular Session, 1991 (Article 6243n-1, Vernon's Texas Civil
24 Statutes), is amended by adding Section 6.08 to read as follows:

25 Sec. 6.08. RETIREE DEATH BENEFIT FUND. (a) The police retirement
26 board shall establish a retiree death benefit fund and shall
27 deposit in such fund contributions paid by the city to provide

1 retiree death benefits in accordance with this section. The board
2 may, but is not required to, credit interest to the retiree death
3 benefit fund annually at such rate as the board may determine.

4 (b) The police retirement system shall pay death benefits
5 under Section 6.05(c) only from money in the retiree death benefit
6 fund, and the benefits are not an obligation of other funds of the
7 retirement system.

8 (c) Based upon the recommendation of the system's actuary,
9 the board shall adopt such rates and tables as are considered
10 necessary to determine the retiree death benefit fund contribution
11 rate of the city. At the same time as the actuary makes a valuation
12 of the assets and liabilities of the system pursuant to Section
13 3.09, the actuary shall also make an actuarial valuation of the
14 assets and liabilities of the retiree death benefit fund, and upon
15 recommendation by the actuary, the board shall adjust the rates and
16 tables for the retiree death benefit fund.

17 (d) If at any time the amount of payments due from the
18 retiree death benefit fund exceeds the balance of such fund, the
19 board may direct that funds be transferred from the general
20 retirement fund to the retiree death benefit fund in such amounts as
21 are necessary to cover the deficiency. Any sums transferred to the
22 retiree death benefit fund under this subsection shall be repaid to
23 the general retirement fund of the retirement system at such time as
24 subsequent contributions by the city have resulted in the
25 accumulation of a sufficient amount in the retiree death benefit
26 fund for such a repayment to appear prudent.

27 (e) Contributions by the city to the retiree death benefit

1 fund shall be made at the same time as the city makes its
2 contribution to the retirement system under Section 8.01, and the
3 amount of the city's contribution under Section 8.01 each pay
4 period shall be reduced by the amount of the city's contribution to
5 the retiree death benefit fund for that same pay period.

6 SECTION 6. This Act takes effect on September 1, 2003.
