19 SECTION 5. FINDINGS RELATING TO BOUNDARIES. The boundaries  
20 and field notes of the district form a closure. If a mistake is made  
21 in the field notes or in copying the field notes in the legislative  
22 process, the mistake does not in any way affect the district's:

- 23 (1) organization, existence, or validity;
- 24 (2) right to issue any type of bond for a purpose for  
25 which the district is created or to pay the principal of and  
26 interest on a bond;
- 27 (3) right to impose or collect an assessment or tax; or

1           (4) legality or operation.

2           SECTION 6. FINDINGS OF BENEFIT AND PUBLIC PURPOSE.

3           (a) The district is created to serve a public use and benefit. All  
4 the land and other property included in the district will be  
5 benefited by the improvements and services to be provided by the  
6 district under powers conferred by Sections 52 and 52-a, Article  
7 III, and Section 59, Article XVI, Texas Constitution, and other  
8 powers granted under this Act.

9           (b) The creation of the district is in the public interest  
10 and is essential to:

11           (1) further the public purposes of development and  
12 diversification of the economy of the state; and

13           (2) eliminate unemployment and underemployment and  
14 develop or expand transportation and commerce.

15           (c) The district will:

16           (1) promote the health, safety, and general welfare of  
17 residents, employers, employees, visitors, and consumers in the  
18 district, and the general public;

19           (2) provide needed funding to preserve, maintain, and  
20 enhance the economic health and vitality of the district as a  
21 community and business center; and

22           (3) further promote the health, safety, welfare, and  
23 enjoyment of the public by providing pedestrian ways and by  
24 landscaping and developing certain areas in the district, which are  
25 necessary for the restoration, preservation, and enhancement of  
26 scenic beauty.

27           (d) Pedestrian ways along or across a street, whether at

1 grade or above or below the surface, and street lighting, street  
2 landscaping, and street art objects are parts of and necessary  
3 components of a street and are considered to be a street or road  
4 improvement.

5 (e) The district will not act as the agent or  
6 instrumentality of any private interest even though many private  
7 interests will be benefited by the district, as well as the general  
8 public.

9 SECTION 7. APPLICATION OF OTHER LAW. (a) Except as  
10 otherwise provided by this Act, Chapter 375, Local Government Code,  
11 applies to the district.

12 (b) Chapter 311, Government Code, applies to this Act.

13 SECTION 8. CONSTRUCTION OF ACT. This Act shall be liberally  
14 construed in conformity with the findings and purposes stated in  
15 this Act.

16 SECTION 9. BOARD OF DIRECTORS IN GENERAL. (a) The  
17 district is governed by a board of five voting directors appointed  
18 under Section 10.

19 (b) Voting directors serve staggered terms of four years,  
20 with three directors' terms expiring June 1 of an odd-numbered year  
21 and two directors' terms expiring June 1 of the following  
22 odd-numbered year.

23 (c) The board may increase or decrease the number of  
24 directors on the board by resolution, provided that it is in the  
25 best interest of the district to do so and that the board consists  
26 of not fewer than five and not more than 15 directors.

27 SECTION 10. APPOINTMENT OF DIRECTORS. The board shall

5 SECTION 11. CONFLICTS OF INTEREST; ONE-TIME AFFIDAVIT.

6 (a) Except as provided by this section:

7 (1) a director may participate in all board votes and  
8 decisions; and

9 (2) Chapter 171, Local Government Code, governs  
10 conflicts of interest for directors.

11 (b) Section 171.004, Local Government Code, does not apply  
12 to the district. A director who has a substantial interest in a  
13 business or charitable entity that will receive a pecuniary benefit  
14 from a board action shall file a one-time affidavit declaring the  
15 interest. An additional affidavit is not required if the  
16 director's interest changes. After the affidavit is filed with the  
17 board secretary, the director may participate in a discussion or  
18 vote on that action if:

19 (1) a majority of the directors have a similar  
20 interest in the same entity; or

21 (2) all other similar business or charitable entities  
22 in the district will receive a similar pecuniary benefit.

23 (c) A director who is also an officer or employee of a public  
24 entity may not participate in the discussion of or vote on a matter  
25 regarding a contract with that same public entity.

26 (d) For purposes of this section, a director has a  
27 substantial interest in a charitable entity in the same manner that

1 a person would have a substantial interest in a business entity  
2 under Section 171.002, Local Government Code.

3 SECTION 12. ADDITIONAL POWERS OF DISTRICT. The district  
4 may exercise the powers given to:

6 Development Corporation Act of 1979 (Article 5190.6, Vernon's Texas  
7 Civil Statutes), including the power to own, operate, acquire,  
8 construct, lease, improve, and maintain projects described by that  
9 section; and

23 resolution may authorize the creation of a nonprofit corporation to  
24 assist and act on behalf of the district in implementing a project  
25 or providing a service authorized by this Act.

26 (b) The board shall appoint the board of directors of a  
27 nonprofit corporation created under this section. The board of

1 directors of the nonprofit corporation shall serve in the same  
2 manner as the board of directors of a local government corporation  
3 created under Chapter 431, Transportation Code.

4 (c) A nonprofit corporation created under this section has  
5 the powers of and is considered for purposes of this Act to be a  
6 local government corporation created under Chapter 431,  
7 Transportation Code.

8 (d) A nonprofit corporation created under this section may  
9 implement any project and provide any service authorized by this  
10 Act.

11 SECTION 16. REQUIREMENTS FOR FINANCING SERVICES AND  
12 IMPROVEMENTS. The board may not finance a service or improvement  
13 project with assessments under this Act unless a written petition  
14 requesting that improvement or service has been filed with the  
15 board. The petition must be signed by:

16 (1) the owners of a majority of the assessed value of  
17 real property in the district subject to assessment as determined  
18 by the most recent certified tax appraisal roll for Fort Bend  
19 County; or

20 (2) at least 25 persons who own real property in the  
21 district if more than 25 persons own real property in the district  
22 as determined by the most recent certified tax appraisal roll for  
23 Fort Bend County.

24 SECTION 17. ELECTIONS. (a) The district shall hold an  
25 election in the manner provided by Subchapter L, Chapter 375, Local  
26 Government Code, to obtain voter approval before the district  
27 imposes a maintenance tax or issues a bond payable from ad valorem

1 taxes.

3 proposition at an election.

4 (c) Section 375.243, Local Government Code, does not apply  
5 to the district.

6 SECTION 18. MAINTENANCE TAX. (a) If authorized at an  
7 election held in accordance with Section 17, the district may

9 for the maintenance and operation of the district and the  
10 improvements constructed or acquired by the district or for the  
11 provision of services.

12 (b) The board shall determine the tax rate.

13 SECTION 19. ASSESSMENTS. (a) The board by resolution may  
14 impose and collect an assessment for any purpose authorized by this  
15 Act.

16 (b) Assessments, including assessments resulting from an  
17 addition to or correction of the assessment roll by the district,  
18 reassessments, penalties and interest on an assessment or  
19 reassessment, expense of collection, and reasonable attorney's  
20 fees incurred by the district:

21 (1) are a first and prior lien against the property  
22 assessed;

23 (2) are superior to any other lien or claim other than  
24 a lien or claim for county, school district, or municipal ad valorem  
25 taxes; and

26 (3) are the personal liability of and charge against  
27 the owners of the property even if the owners are not named in the

1 assessment proceedings.

2 (c) The lien is effective from the date of the resolution of  
3 the board imposing the assessment until the date the assessment is  
4 paid. The board may enforce the lien in the same manner that the  
5 board may enforce an ad valorem tax lien against real property.

6 (d) Without necessity of notice and hearing in the manner  
7 required for additional assessments, the board may make corrections  
8 to or deletions from the assessment roll, provided that such  
9 corrections or deletions do not increase the amount of assessment  
10 of any parcel of land.

11 SECTION 20. UTILITIES. The district may not impose an  
12 impact fee or assessment on the property, equipment, rights-of-way,  
13 facilities, or improvements of an electric utility or a power  
14 generation company as defined by Section 31.002, Utilities Code, a  
15 gas utility as defined by Section 101.003 or 121.001, Utilities  
16 Code, or a telecommunications provider as defined by Section  
17 51.002, Utilities Code, or of a person that provides to the public  
18 cable television or advanced telecommunications services. If the  
19 district, in the exercise of the powers conferred on it by this Act,  
20 requires or requests the relocation, rerouting, or removal of  
21 electric, gas, water, sewer, communications, or other public  
22 utilities, as defined by Section 31.002, 101.003, 121.001, or  
23 51.002, Utilities Code, the relocation, rerouting, or removal shall  
24 be at the sole expense of the district.

25 SECTION 21. BONDS. (a) The district may issue bonds or  
26 other obligations payable in whole or in part from ad valorem taxes,  
27 assessments, impact fees, revenue, grants, or other money of the

1 district, or any combination of those sources of money, to pay for  
2 any authorized purpose of the district.

3 (b) In exercising the district's borrowing power, the  
4 district may issue a bond or other obligation in the form of a bond,  
5 note, certificate of participation or other instrument evidencing a  
6 proportionate interest in payments to be made by the district, or

17 or assessment owed to the district.

18 SECTION 28. MEMBERSHIP IN CHARITABLE ORGANIZATIONS. The  
19 district may join and pay dues to an organization that enjoys  
20 tax-exempt status under Section 501(c)(3), (4), or (6), Internal  
21 Revenue Code of 1986, as amended, and perform services or provide

25 and to be for a public purpose.

26 SECTION 29. ELIGIBILITY FOR INCLUSION IN SPECIAL ZONES.  
27 All or any part of the area of the district is eligible,

1 notwithstanding other statutory criteria, to be included in a tax
