25       SECTION 5. FINDINGS RELATING TO BOUNDARIES. The boundaries  
26 and field notes of the district form a closure. A mistake in the  
27 field notes or in copying the field notes in the legislative process

1 does not in any way affect the district's:

- 2 (1) organization, existence, or validity;
- 3 (2) right to issue any type of bond for the purposes  
4 for which the district is created or to pay the principal of and  
5 interest on a bond;
- 6 (3) right to impose or collect an assessment or tax; or
- 7 (4) legality or operation.

8 SECTION 6. FINDINGS OF BENEFIT AND PUBLIC PURPOSE.

9 (a) The district is created to serve a public use and benefit.

10 (b) All land and other property included in the district  
11 will benefit from the improvements and services to be provided by  
12 the district under powers conferred by Sections 52 and 52-a,  
13 Article III, and Section 59, Article XVI, Texas Constitution, and  
14 other powers granted under this Act.

15 (c) The creation of the district is in the public interest  
16 and is essential to:

- 17 (1) further the public purposes of the development and  
18 diversification of the economy of the state;
- 19 (2) eliminate unemployment and underemployment; and
- 20 (3) develop or expand transportation and commerce.

21 (d) The district will:

- 22 (1) promote the health, safety, and general welfare of  
23 residents, employers, employees, visitors, and consumers in the  
24 district and of the public;
- 25 (2) provide needed funding to preserve, maintain, and  
26 enhance the economic health and vitality of the district as a  
27 community; and

1           (3) promote the health, safety, welfare, and enjoyment  
2 of the public by providing pedestrian ways and by landscaping and  
3 developing certain areas in the district, which are necessary for  
4 the restoration, preservation, and enhancement of scenic beauty.

5           (e) Pedestrian ways along or across a street, whether at  
6 grade or above or below the surface, and street lighting, street  
7 landscaping, and street art objects are parts of and necessary  
8 components of a street and are considered to be a street or road  
9 improvement.

10          (f) The district will not act as the agent or  
11 instrumentality of any private interest even though the district  
12 will benefit many private interests as well as the public.

13          SECTION 7. FINDINGS RELATED TO REDEVELOPMENT.        The  
14 legislature finds that development or redevelopment in the area in  
15 the district would not occur solely through private investment in  
16 the reasonably foreseeable future and that the area in the  
17 district:

18               (1) is unproductive, underdeveloped, or blighted;

19               (2) substantially arrests and impairs the sound growth  
20 of the City of Katy because of:

22                       (B) deterioration of structures or site  
23 improvements; or

24                       (C) other factors;

25               (3) retards the provision of housing accommodations;

26               (4) is an economic and social liability;

27               (5) is a menace to the public health, safety, morals,

1 and welfare in its present condition and use; and

2 (6) is predominantly open.

3 SECTION 8. ELIGIBILITY FOR REINVESTMENT ZONES. All or any  
4 part of the area of the district is eligible, regardless of other  
5 statutory criteria, to be included in a tax increment reinvestment  
6 zone created by the City of Katy under Chapter 311, Tax Code.

27 municipal management districts created under Section 59, Article

1 XVI, Texas Constitution, including:

8 function or service for the purposes of Chapter 791, Government  
9 Code.

10 SECTION 16. LAW ENFORCEMENT SERVICES. To protect the  
11 public interest, the district may contract with a municipality or  
12 county to provide law enforcement services in the district for a  
13 fee.

14 SECTION 17. AUTHORITY TO IMPOSE AD VALOREM TAXES,  
15 ASSESSMENTS, AND IMPACT FEES. The district may impose an ad valorem  
16 tax, assessment, or impact fee and use the proceeds of the tax,  
17 assessment, or impact fee for any district purpose, including the  
18 payment of debt or other contractual obligations, or the payment of  
19 maintenance and operating expenses.

20 SECTION 18. ELECTIONS REGARDING TAXES OR BONDS. (a) The  
21 district must hold an election in the manner provided by Chapters 49

26 proposition at an election.

27 SECTION 19. MAINTENANCE TAX. (a) The district may impose

1 an annual ad valorem tax on taxable property in the district for any  
2 district purpose, including to:

3 (1) maintain and operate the district, including  
4 improvements constructed or acquired by the district; or

5 (2) provide a service.

6 (b) The board shall determine the tax rate.

7 SECTION 20. ASSESSMENTS; PETITION REQUIRED FOR FINANCING  
8 SERVICES AND IMPROVEMENTS. (a) The board by resolution may impose  
9 and collect an assessment for any purpose authorized by this Act.

10 (b) The board may not finance a service or improvement  
11 project through an assessment under this Act unless a written  
12 petition requesting that service or improvement has been filed with  
13 the board. The petition must be signed by:

14 (1) the owners of a majority of the assessed value of  
15 real property in the district that will be subject to the assessment

6           (3) are the personal liability of and charge against  
7 the owners of the property even if the owners are not named in the  
8 assessment proceeding.

9           (d) The lien is effective from the date of the board's  
10 resolution imposing the assessment until the date the assessment is  
11 paid. The board may enforce the lien in the same manner that the
