

**LEGISLATIVE BUDGET BOARD**  
**Austin, Texas**

**FISCAL NOTE, 78TH LEGISLATIVE REGULAR SESSION**

**February 13, 2003**

**TO:** Honorable Anna Mowery, Chair, House Committee on Land & Resource Management

**FROM:** John Keel, Director, Legislative Budget Board

**IN RE:** **HB547** by Wohlgemuth (Relating to the distance between certain pits that are part of quarrying operations and adjacent property.), **As Introduced**

**No significant fiscal implication to the State is anticipated.**

The bill would apply a 50-foot setback from private property lines for quarries and pits currently applicable only in counties with a population between 400,000 and all active pit operations in the state, increasing the number of pits and quarries within the Railroad Commission's jurisdiction. It is expected that any additional costs resulting from additional disputes over property lines and the location of pits as a result of the bill's passage could be absorbed within existing agency resources.

**Local Government Impact**

No significant fiscal implication to units of local government is anticipated.
