Austin, Texas

FISCAL NOTE, 78TH LEGISLATIVE REGULAR SESSION

March 7, 2003

TO: Honorable Joe Driver, Chair, House Committee on Law Enforcement

FROM: John Keel, Director, Legislative Budget Board

IN RE: HB565 by Haggerty (Relating to the punishments for the offenses of assault and aggravated assault committed against a commissioned security officer.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill would amend the Penal Code by making the offense of assault punishable as a felony of the third degree if the offense is committed against a commissioned security officer while the officer is performing a duty as a security officer. The bill would also make the offense of aggravated assault committed against a commissioned security officer while the officer is performing a duty as a security officer punishable as a felony of the first degree. Since the punishment enhancement provisions of the bill would only apply to specific offenses committed against a commissioned security officer while the officer is performing a duty as a security officer, the fiscal impact is not anticipated to be significant.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
