Fiscal Analysis

The bill would amend Government Code, Chapter 24 to create a new judicial district, the 413th Judicial District, composed of Johnson County. The bill would take effect September 1, 2003.

Methodology

The salary of a district court judge is currently \$101,700 annually. Associated benefits for the position are estimated to be \$27,665 annually. Together salary and benefits for the district judge of the proposed court would be \$129,365 in fiscal year 2004 and each year thereafter. All other costs would be paid by the county.

Local Government Impact

The Johnson County Auditor provided an estimate of local costs, which are based on the county's current expenditures for its two existing district courts. Johnson County would have an annual operating expense of \$354,000 and a one-time capital set-up expenditure of \$268,000 for the court. The total cost to Johnson County for FY 2004 is estimated at \$622,000. In FY 2005 and thereafter, the estimated cost would be \$354,000.
