--

The bill would amend the Transportation Code to designate the US Highway 75 and IH 635 interchange in Dallas as the David M. Laney High Five Interchange.

Based on the analysis of the Texas Department of Transportation, duties and responsibilities associated with implementing the provisions of the bill could be accomplished by utilizing existing resources.

The bill would take effect immediately upon receiving a two-thirds majority vote in both houses; otherwise, the bill would take effect September 1, 2003.

**Local Government Impact**

No significant fiscal implication to units of local government is anticipated.
