**IN RE: HB716** by Delisi (Relating to the punishment for assaults committed against certain sports participants.), **As Passed 2nd House**

**No significant fiscal implication to the State is anticipated.**

The bill would amend the Penal Code by enhancing the punishment of the offense of assault if committed against a person the actor knows is a sports participant. It is assumed that the number of offenders convicted under this statute would not result in a significant impact on the programs and workload of state corrections agencies or on the demand for resources and services of those agencies.

**Local Government Impact**
