Fiscal Analysis

The bill would amend the Alcoholic Beverage Code by requiring certain persons licensed or permitted under the Alcoholic Beverage Code to maintain a liability insurance policy issued by an insurance company authorized to issue insurance in the state.

Methodology

The Alcoholic Beverage Commission reports a total of 9 FTEs and associated operating costs would be required to implement the bill. Personnel would be required in the certification section which

would process notices, cancellations, and inquiries. Additional FTEs would be required in the legal and compliance departments for monitoring, trainer testing, and assisting with an anticipated increase in hearings because of denied applications. Salaries and wages and associated operating costs and benefits total \$322,596. First year printing costs for instruction booklets and initial one-time operating costs total \$58,494.

**Local Government Impact**

No significant fiscal implication to units of local government is anticipated.
