Austin, Texas

FISCAL NOTE, 78TH LEGISLATIVE REGULAR SESSION

April 9, 2003

TO: Honorable Chris Harris, Chair, Senate Committee on Administration

FROM: John Keel, Director, Legislative Budget Board

IN RE: HB970 by Truitt (Relating to the donation by a county of salvage and surplus property to a civic or charitable organization.), **As Engrossed**

No fiscal implication to the State is anticipated.

The bill would amend Section 263.152(a), Local Government Code, to allow a county to donate salvage and surplus property to a civic or charitable organization when the county commissioners court determines that it is more economical to do so than selling through the bid process, would serve a public purpose, and the receiving organization would pay for transporting or disposing of the property. The bill would take effect immediately if it receives a vote of two-thirds of all members of each house; otherwise, it would take effect September 1, 2003.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
