**Fiscal Analysis**

The bill would amend Section 352.002(a) of the Tax Code to authorize a county that has a population of 34,000 or more and borders Lake Buchanan to, by the adoption of a resolution or an order, impose a hotel occupancy tax.

The bill would take effect immediately upon enactment, assuming that it received the requisite two-thirds majority votes in both houses of the Legislature. Otherwise, it would take effect September 1, 2003.

**Methodology**

Burnet county would be the only county authorized by the bill's provisions to impose a hotel occupancy tax. Data on hotel occupancy revenues for Burnet county were obtained from Comptroller tax files. There would be no effect on state hotel occupancy tax revenues.

The above table assumes the maximum seven percent tax rate and an effective date of September 1, 2003.

### **Local Government Impact**

The impact to local government is illustrated in the above table.
