March 23, 2003

TO: Honorable Kent Grusendorf, Chair, House Committee on Public Education

IN RE: HB1226 by Eissler (Relating to a closed meeting for a school board deliberation that will necessarily reveal personally identifiable information about a public school student.), **As Introduced**

No fiscal implication to the State is anticipated.

The bill would authorize a school district board of trustees to conduct a closed meeting to deliberate a matter regarding a public school student when personally identifiable information about the student would necessarily be revealed. The bill would authorize such deliberation to occur in an open meeting, if requested in writing by the student's parent or guardian. The bill would define directory information and clarify the application of "do not release" requests.
