

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 78TH LEGISLATIVE REGULAR SESSION

March 11, 2003

TO: Honorable Robert Puente, Chair, House Committee on Natural Resources

FROM: John Keel, Director, Legislative Budget Board

IN RE: HB1379 by Cook, Robby (Relating to the notice and hearing process for groundwater conservation districts.), **As Introduced**

No fiscal implication to the State is anticipated.

The bill would amend the Water Code to require a groundwater conservation district general manager, not later than the tenth day before the date of a rulemaking hearing by the district board, to post notice of the hearing in a place readily accessible to the public in the district office, provide notice to the county clerk of each county in the district, and publish notice in one or more newspapers of general circulation in the county(ies) in which the district is located.

The bill would also authorize a district to require that a change in the withdrawal or use of groundwater under a permit issued by the district may not be made unless the district first approved a permit authorizing the change. Additionally, procedures are outlined for processing permit and permit amendment applications.

The bill would take effect September 1, 2003.

Local Government Impact

Based on information provided by the Texas Groundwater Conservation District Association, no significant fiscal implication to units of local government is anticipated.
