Austin, Texas

FISCAL NOTE, 78TH LEGISLATIVE REGULAR SESSION

March 23, 2003

TO: Honorable Anna Mowery, Chair, House Committee on Land & Resource Management

FROM: John Keel, Director, Legislative Budget Board

IN RE: HB1563 by Casteel (Relating to charitable contributions by state employees to the General Land Office's Adopt-A-Map/Adopt-A-Document Program.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill would allow State employees to make a payroll deduction through the State Employee's Charitable Campaign Program (SECC) for Adopt-A-Map and Adopt-A-Document Programs which address the preservation of historic documents.

During fiscal years 2002 and 2003, the agency will spend \$406,068 and \$300,000, respectively for the archives scanning project out of General Revenue Funds. For the 2004-05 biennium, the agency has requested \$300,000 each fiscal year out of the General Revenue Fund to continue the scanning project. Assuming this project reflects some or all of the costs for preserving historic maps and documents, donations from state employees could supplant any General Revenue appropriated by the Legislature for the 2004-05 biennium. Article IX, Section 8.01 of the General Appropriations Act would appropriate any donations made by state employees through payroll deduction for the Adopt-A-Map and Adopt-A-Document programs.

Local Government Impact

No fiscal implication to units of local government is anticipated.
