Austin, Texas

FISCAL NOTE, 78TH LEGISLATIVE REGULAR SESSION

May 14, 2003

TO: Honorable Steve Ogden, Chair, Senate Committee on Infrastructure Development and Security

FROM: John Keel, Director, Legislative Budget Board

IN RE: HB2006 by Jones, Elizabeth (Relating to the construction and maintenance of utility, common carrier, and energy transporter facilities along, over, under, or across a railroad right-of-way.), **As Engrossed**

No significant fiscal implication to the State is anticipated.

This bill would give utilities, common carrier, and energy transporters the right to railroads and railroad rights-of-way.

Local Government Impact

No significant fiscal implication to units of local government is anticipated. Local governments owning utilities or pipelines could experience savings in cases where such entities could cross over railroad rights-of-way in less costly locations.
