

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 78TH LEGISLATIVE REGULAR SESSION

April 2, 2003

TO: Honorable Fred Hill, Chair, House Committee on Local Government Ways and Means

FROM: John Keel, Director, Legislative Budget Board

IN RE: HB2073 by Hilderbran (Relating to the ad valorem tax rate of a hospital district created under general or special law.), **As Introduced**

No fiscal implication to the State is anticipated.

The bill would amend the Health and Safety Code to require a hospital district that is authorized to impose ad valorem taxes at a maximum rate of less than 75-cents on \$100 valuation of all taxable property in the district to hold a hearing regarding an election to increase the maximum tax rate if petitioned to raise the tax rate by a certain number of the registered voters of the district. If after the hearing, the district determines that the petition is in proper form and that an increase would benefit the district, the governing board of the district would be required to hold an election and to publish notice of the election. The election would be required to be held between the 45th and 60th day after the date on which the election is ordered. Statute relating to uniform election dates would not apply.

The bill would take effect immediately if it receives a two-thirds vote in each house; otherwise, it would take effect September 1, 2003.

At a minimum, a district would incur the cost of a hearing and of an election if petitioned to raise the maximum tax rate. If the tax increase is approved by the voters of the district, the district would experience a revenue gain. The amount of the gain would depend on the amount of the increase and the total valuation of taxed property.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
