**Austin, Texas**

**FISCAL NOTE, 78TH LEGISLATIVE REGULAR SESSION**

**April 11, 2003**

**TO:** Honorable Kenny Marchant, Chair, House Committee on State Affairs

**FROM:** John Keel, Director, Legislative Budget Board

**IN RE: HB2168** by Dunnam (Relating to state purchasing of recycled products.), **As Introduced**

**No significant fiscal implication to the State is anticipated.**

The bill relates to the use of recycled steel products in procurement procedures. Although the use of recycled steel could result in cost savings to individual companies, it would not significantly affect the award of a contract for bid. The Building and Procurement Commission would stipulate the use of recycled steel as only one of the components in its Request for Proposals (RFPs).

**Local Government Impact**

No fiscal implication to units of local government is anticipated.
