Austin, Texas

FISCAL NOTE, 78TH LEGISLATIVE REGULAR SESSION

March 31, 2003

TO: Honorable Phil King, Chair, House Committee on Regulated Industries

FROM: John Keel, Director, Legislative Budget Board

IN RE: HB2340 by Turner (Relating to metering services provided to certain electricity customers.),
As Introduced

No significant fiscal implication to the State is anticipated.

The bill amends the Utilities Code to restrict the provision of competitive metering services to large commercial and industrial customers, rather than all commercial and industrial customers. The Public Utility Commission indicates it could absorb the minor rulemaking costs associated with this bill within the agency's existing resources.

Local Government Impact

No fiscal implication to units of local government is anticipated.
