FISCAL NOTE, 78TH LEGISLATIVE REGULAR SESSION

April 11, 2003

TO: Honorable Fred Hill, Chair, House Committee on Local Government Ways and Means

FROM: John Keel, Director, Legislative Budget Board

IN RE: HB2961 by Krusee (Relating to the use of municipal hotel occupancy taxes by certain municipalities.), **Committee Report 1st House, Substituted**

No fiscal implication to the State is anticipated.

The bill would amend Chapter 351 of the Tax Code to allow a municipality located in a county with a population of 250,000 or less to spend its municipal hotel occupancy tax revenue to cover certain expenses directly related to a sporting event.

Currently, a municipality located in a county with a population of 65,000 or less is authorized to spend its municipal hotel occupancy tax revenue to cover the expenses directly related to a sporting event in which the majority of participants are tourists who substantially increase economic activity at hotels and motels within the municipality or its vicinity.

The bill would take effect immediately upon enactment, assuming that it received the requisite two-thirds majority votes in both houses of the Legislature. Otherwise, it would take effect September 1, 2003.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
