Austin, Texas

FISCAL NOTE, 78TH LEGISLATIVE REGULAR SESSION

April 23, 2003

TO: Honorable Anna Mowery, Chair, House Committee on Land & Resource Management

FROM: John Keel, Director, Legislative Budget Board

IN RE: SB442 by Janek (Relating to the applicability of the law governing access to public beaches to coastal public works constructed by certain governmental entities.), **As Engrossed**

No fiscal implication to the State is anticipated.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.

A subdivision or instrumentality of the state, other than a city or county, or the federal government, would be required to partner with a city or county for certain coastal public works projects. Quasi-governmental entities would no longer be able to directly involve themselves in such projects without establishing a formal arrangement with a city or county.
