**FISCAL NOTE, 78TH LEGISLATIVE REGULAR SESSION**

**March 18, 2003**

**TO:** Honorable Bill Ratliff, Chair, Senate Committee on State Affairs

**FROM:** John Keel, Director, Legislative Budget Board

**IN RE: SB482** by Madla (Relating to certain chaplains killed in the line of duty.), **Committee Report 1st House, Substituted**

**No significant fiscal implication to the State is anticipated.**

The bill would amend the Government Code by adding survivors of chaplains of fire-fighting units or law enforcement agencies to the list of individuals who are eligible for death benefits. The bill would apply to a death that occurs on or after September 1, 2003. The Employee Retirement System of Texas estimates the approximate annual cost per public safety benefit paid is \$274,000. The fiscal impact of the bill would depend on the future number of chaplain deaths. It is assumed that implementation of the bill would not have a significant impact on the costs of state government

**Local Government Impact**

No fiscal implication to units of local government is anticipated.
