**IN RE: SB750** by Madla (Relating to the requirement that governmental public notices be published in Spanish-language newspapers.), **Committee Report 1st House, Substituted**

**No significant fiscal implication to the State is anticipated.**

This bill would require a state agency or a political subdivision of the state to publish any notice required under Chapter 4, Election Code, Chapter 551, Government Code, or any other law, to publish the notice in certain Spanish-language newspapers.

This bill would take effect September 1, 2003.

**Local Government Impact**

No significant fiscal implication to units of local government is anticipated.
