**FISCAL NOTE, 78TH LEGISLATIVE REGULAR SESSION**

**March 4, 2003**

**TO:** Honorable Frank Madla, Chair, Senate Committee on Intergovernmental Relations

**FROM:** John Keel, Director, Legislative Budget Board

**IN RE: SB751** by Madla (Relating to the notice required for a municipality to remove territory from an emergency services district.), **As Introduced**

**No fiscal implication to the State is anticipated.**

The bill would amend the Health and Safety Code to expand the procedures that a municipality must follow if, upon annexing territory that is in an emergency services district, the municipality intends to provide emergency services to the annexed area and is therefore, removing the territory from the district. The bill would take effect September 1, 2003.

**Local Government Impact**

It is anticipated that implementation of additional steps in the procedures by a municipality to disannex territory from an emergency services district would have no significant fiscal implication to units of local government.
