**IN RE: SB1038** by Barrientos (Relating to the transfer of the Communities In Schools program.), **As Introduced**

**No fiscal implication to the State is anticipated.**

The bill would transfer administration of the Communities in Schools Program to the Texas Education Agency (TEA). As a significant part of the funding for the program currently is a set-aside from the Foundation School Program, TEA does not anticipate any significant net implications for agency or state expenditures as a result of the transfer.

**Local Government Impact**

No fiscal implication to units of local government is anticipated.
