**No significant fiscal implication to the State is anticipated.**

The bill would establish a coaching education program at the San Antonio Life Sciences Institute, which is a joint effort between The University of Texas at San Antonio and The University of Texas Health Science Center at San Antonio. The University of Texas System Administration has assumed the program would be handled similar to a continuing education course. It is also assumed that course fees would offset the cost of the program, which is estimated to be \$64,000.
