Austin, Texas

FISCAL NOTE, 78TH LEGISLATIVE REGULAR SESSION

May 1, 2003

TO: Honorable Royce West, Chair, Senate Committee on Subcommittee on Higher Education

FROM: John Keel, Director, Legislative Budget Board

IN RE: **SB1127** by Van de Putte (Relating to the creation of a coaching education program by the San Antonio Life Sciences Institute.), **Committee Report 1st House, Substituted**

No significant fiscal implication to the State is anticipated.

The bill would establish a coaching education program at the San Antonio Life Sciences Institute, which is a joint effort between The University of Texas at San Antonio and The University of Texas Health Science Center at San Antonio. The University of Texas System Administration has assumed the program would be handled similar to a continuing education course. It is also assumed that course fees would offset the cost of the program, which is estimated to be \$64,000.

Local Government Impact

No fiscal implication to units of local government is anticipated.
