Austin, Texas

FISCAL NOTE, 78TH LEGISLATIVE REGULAR SESSION

March 23, 2003

TO: Honorable Kenneth Armbrister, Chair, Senate Committee on Natural Resources

FROM: John Keel, Director, Legislative Budget Board

IN RE: SB1250 by Armbrister (Relating to the land application of certain sludge.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill would allow a person who holds a registration for the application of Class B sludge for a beneficial use approved by the Commission on Environmental Quality and who, on or before September 1, 2002, has submitted an administratively complete application for a permit under this section, to apply Class B sludge in accordance with the registration until the Commission has issued a final decision to issue or deny the permit for which the person has applied.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
