

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 78TH LEGISLATIVE REGULAR SESSION

April 1, 2003

TO: Honorable Florence Shapiro, Chair, Senate Committee on Education

FROM: John Keel, Director, Legislative Budget Board

IN RE: SB1624 by Bivins (Relating to security requirements for the deposit of school district funds.),
As Introduced

No fiscal implication to the State is anticipated.

The bill amends Section 45.201 of the Education Code and would eliminate a conflict in law between Section 45.201 and the Public Funds Collateral Act (PFCA). Currently, Section 45.201 excludes reducing principal balance securities as approved securities, while they are allowed under the PFCA. This bill would allow them.

In addition, the bill specifies that the security must be at least 110% of the amount of the deposit and the total market value of eligible securities must be reported at least once each month to the school district.

Local Government Impact

No fiscal implication to units of local government is anticipated.
