

**LEGISLATIVE BUDGET BOARD**  
**Austin, Texas**

**FISCAL NOTE, 78TH LEGISLATIVE REGULAR SESSION**

**April 21, 2003**

**TO:** Honorable Frank Madla, Chair, Senate Committee on Intergovernmental Relations

**FROM:** John Keel, Director, Legislative Budget Board

**IN RE: SB1777** by Gallegos (Relating to fire control, prevention, and emergency medical services districts by certain municipalities.), **As Introduced**

**No fiscal implication to the State is anticipated.**

The bill would repeal a subsection of the Local Government Code that applies only to a fire control, prevention, and emergency medical services district in a municipality with a population of 1.9 million or more. The City of Houston is currently the only municipality that has a population of 1.9 million or more.

**Local Government Impact**

Because the bill would not have statewide impact on units of local government of the same type or class, no comment from this office is required by the rules of the House/Senate as to its probable fiscal implication on units of local government.
