

Amend the proposed substitute to **HB 2** as follows:

SECTION __. The heading to Section 38.015, Education Code, is amended to read as follows:

Sec. 38.015. SELF-ADMINISTRATION OF PRESCRIPTION ASTHMA OR ANAPHYLAXIS MEDICINE BY STUDENTS.

SECTION __. Sections 38.015(a) and (b), Education Code, are amended to read as follows:

(a) In this section:

(1) "Parent" includes a person standing in parental relation.

(2) "Self-administration of prescription asthma or anaphylaxis medicine" means a student's discretionary use of prescription asthma or anaphylaxis medicine.

(b) A student with asthma or anaphylaxis is entitled to possess and self-administer prescription asthma or anaphylaxis medicine while on school property or at a school-related event or activity if:

(1) the prescription [~~asthma~~] medicine has been prescribed for that student as indicated by the prescription label on the medicine;

(2) the student has demonstrated to the student's physician or other licensed health care provider and the school nurse, if available, the skill level necessary to self-administer the prescription medication, including the use of any device required to administer the medication;

(3) the self-administration is done in compliance with the prescription or written instructions from the student's physician or other licensed health care provider; and

(4) [~~(3)~~] a parent of the student provides to the school:

(A) a written authorization, signed by the parent, for the student to self-administer the prescription [~~asthma~~] medicine while on school property or at a school-related event or activity; and

(B) a written statement from the student's

physician or other licensed health care provider, signed by the physician or provider, that states:

(i) that the student has asthma or anaphylaxis and is capable of self-administering the prescription [~~asthma~~] medicine;

(ii) the name and purpose of the medicine;

(iii) the prescribed dosage for the medicine;

(iv) the times at which or circumstances under which the medicine may be administered; and

(v) the period for which the medicine is prescribed.
