

Amend Floor Amendment No. 1 by Fraser to **SB 21** by adding the following new Subsection (f) to Section 66.003, Utilities Code, as added by SECTION 25 of the amendment:

(f) Notwithstanding any other provision of this chapter, an entity or person may not provide cable service or video service in a municipality with a population of more than 500,000 unless the entity or person obtains a franchise from that municipality in addition to the state-issued certificate of franchise authority.
