7 criteria for quality of an electronic course or program.

8 (b) The criteria must include the essential knowledge and

12 applying for approval for an electronic course for a course for
13 which essential knowledge and skills have been identified.

14 (c) The criteria may not include:

15 (1) requirements for or prohibitions against use of
16 particular kinds of technology; or

17 (2) any requirements that are developmentally
18 inappropriate for students.

19 (d) The criteria must be in place at least six months before
20 the board uses the criteria in evaluating an electronic course or
21 program under Section 30A.105.

22 (e) In establishing criteria under this section, the board
23 shall review and consider quality-related criteria established in
24 this state for existing virtual or distance learning courses or
25 programs.

26 Sec. 30A.104. MINIMUM NUMBER OF INSTRUCTIONAL HOURS. An
27 electronic course offered through the state virtual school network

20 student.

21 (c) A school district or open-enrollment charter school
22 that submits an electronic course or program to the board for
23 approval must pay a fee in an amount established by the commissioner
24 as sufficient to recover the reasonable costs to the board in
25 evaluating and approving electronic courses and programs.

26 (d) The board shall waive the fee required by Subsection (c)
27 if a school district or open-enrollment charter school applies for

1 approval of an electronic course or program that:

8 (2) was developed independently by the district or
9 school.

10 (e) For purposes of Subsection (d)(2), an electronic course
11 or program is developed independently by a school district or
12 open-enrollment charter school if a district or school employee is

14 or program, including:

15 (1) determining the curriculum elements to be included
16 in the course or program;

17 (2) selecting any instructional materials for the
18 course or program;

20 be delivered;

21 (4) creating a lesson plan or similar description of
22 the instructional aspects of the course or program;

23 (5) determining any special projects or assignments a
24 student in the course or program must complete; and

25 (6) determining the manner in which a student's
26 progress in the course or program will be measured.

27 Sec. 30A.106. APPEAL TO COMMISSIONER. (a) Before an

1 evaluation under Section 30A.105 begins, a provider school district
2 or school may appeal to the commissioner on the grounds that the
3 criteria is not objective or does not otherwise comply with this
4 chapter.

5 (b) A provider school district or school may appeal to the
6 commissioner the board's refusal to approve an electronic course or
7 program.

8 (c) If the commissioner determines that the criteria is not
9 objective or does not otherwise comply with this chapter or that the
10 evaluation did not follow the criteria or was otherwise irregular,
11 the commissioner may overrule the board and place the course or
12 program on a list of approved courses or programs. The
13 commissioner's decision under this section is final and may not be
14 appealed.

14 (C) the circumstances in which a student may be
15 placed in different academic levels for different course subjects
16 during a school year; and

17 (D) the circumstances in which a student may
18 complete more than one course level during a school year;

19 (5) any technology provided by the district or school

2 school district or open-enrollment charter school in which a
3 student is enrolled is entitled to receive state and local funding
4 for a student enrolled in an electronic course or program offered
5 through the state virtual school network in an amount equal to the
6 cost of providing the electronic course or program, as established
7 by the State Board of Education, plus 20 percent.

8 (b) As determined by the State Board of Education for each
9 approved course, a school district or open-enrollment charter
10 school may receive payment for a student enrolled in an electronic
11 course or program based on:

12 (1) hours of contact with the student, based on
13 successful progress on or completion of modules of the course or
14 program; or

15 (2) the student's successful completion of a course.

16 (c) A provider school district or school and the school
17 district or open-enrollment charter school in which a student is

23 (d) The agreement under Subsection (c) must:

24 (1) permit the school district or open-enrollment
25 charter school in which the student is enrolled as a full-time
26 student to retain, for the district's or school's administrative

2 the student; and

3 (2) identify the services each school district or
4 open-enrollment charter school is required to provide to the
5 student.

6 (e) The board, with the advice of the commissioner, shall

15 permission to modify the standard agreement; and

16 (2) the board authorizes the modification.

17 Sec. 30A.154. ALLOCATION OF FUNDS FOR STUDENTS NOT ENROLLED
18 IN SCHOOL DISTRICT OR OPEN-ENROLLMENT CHARTER SCHOOL. (a) For a
19 student enrolled in an electronic course or program under Section
20 30A.107(c), the commissioner by rule shall allocate to the school
21 district or open-enrollment charter school funds from the

23 for that course or program. The amount established by the board may
24 not exceed \$350 for any electronic course.

25 (b) For the 2006-2007 school year, the commissioner may not
26 provide funding for more than 6,000 electronic courses offered

1 section applies. For the 2007-2008 school year, the commissioner
2 may not provide funding for more than 15,000 electronic courses
3 offered through the state virtual school network to students to
4 whom this section applies. This subsection expires August 1, 2008.

5 Sec. 30A.155. FUNDING FOR ACCELERATED STUDENTS. (a) A
6 provider school district or school may apply for additional funding

9 school districts or open-enrollment charter schools.

10 (b) The board by rule shall set a limit on the total amount
11 of funding for which an accelerated student is eligible.

11 Section 26.0031 to read as follows:

12 Sec. 26.0031. RIGHTS CONCERNING STATE VIRTUAL SCHOOL
13 NETWORK. (a) A school district or open-enrollment charter school
14 in which a student is enrolled as a full-time student may not
15 unreasonably deny the request of a parent of a student to enroll the
