Fiscal Analysis

The bill would appropriate \$213,527 to the Texas Department of Licensing and Regulation to pay the costs of relocating the functions and operations of the former Cosmetology Commission and the former Board of Barber Examiners.

The bill would also appropriate \$250,283 to the Comptroller of Public Accounts to pay obligations for the former Cosmetology Commission and the former Board of Barber Examiners.

The bill would take effect immediately upon enactment, assuming that it received the requisite two-thirds majority votes in both houses of the Legislature. Otherwise, it would take effect on 91st day after the last day of the legislative session.

Methodology

The \$213,527 General Revenue appropriation to the Texas Department of Licensing and Regulation will be in the FY 2006-07 biennium.

The \$250,283 General Revenue appropriation to the Comptroller of Public Accounts will be for the remainder of the FY 2006-07 biennium.

This analysis assumes immediate effect.

Local Government Impact

No fiscal implication to units of local government is anticipated.
