

Amend CSHB 2 on page 12, between lines 22 and 23, by inserting the following:

"Sec. 42.156. GIFTED AND TALENTED STUDENT ALLOTMENT. (a) For each identified student a school district serves in a program for gifted and talented students that the district certifies to the commissioner as complying with Subchapter D, Chapter 29, a district is entitled to an annual allotment of \$546 for each school year or a greater amount provided by appropriation.

(b) Funds allocated under this section, other than the amount that represents the program's share of general administrative costs, must be used in providing programs for gifted and talented students under Subchapter D, Chapter 29, including programs sanctioned by International Baccalaureate and Advanced Placement, or in developing programs for gifted and talented students. Each district must account for the expenditure of state funds as provided by rule of the State Board of Education. If by the end of the 12th month after receiving an allotment for developing a program a district has failed to implement a program, the district must refund the amount of the allotment to the agency within 30 days.

(c) Not more than five percent of a district's students in average daily attendance are eligible for funding under this section.

(d) If the amount of state funds for which school districts are eligible under this section exceeds the amount of state funds appropriated in any year for the programs, the commissioner shall reduce each district's tier one allotments in the same manner described for a reduction in allotments under Section 42.253.

(e) If the total amount of funds allotted under this section before a date set by rule of the State Board of Education is less than the total amount appropriated for a school year, the commissioner shall transfer the remainder to any program for which an allotment under Section 42.152 may be used.

(f) After each district has received allotted funds for this program, the State Board of Education may use up to \$500,000 of the

funds allocated under this section for programs such as MATHCOUNTS, Future Problem Solving, Odyssey of the Mind, and Academic Decathlon, as long as these funds are used to train personnel and provide program services. To be eligible for funding under this subsection, a program must be determined by the State Board of Education to provide services that are effective and consistent with the state plan for gifted and talented education."
