

Amend the **CSHB 2** in Section 2C.23 of the bill, in added Section 39.113, Education Code (page 42, between lines 32-69 and page 43, between lines 1-8), by inserting the following appropriate lettered subsection:

(\_\_) The commissioner shall annually evaluate the effectiveness of the state incentive program for improving student performance on at-risk campuses established under this section. The evaluation must consider:

(1) the performance of students in districts under this section on assessment instruments administered under Section 39.023;

(2) the districts' high school graduation and completion rates; and

(3) the districts' teacher attrition rates.
