

Amend **CSHB 1777** by adding a new section to the bill, numbered appropriately, to read as follows and renumbering subsequent sections accordingly:

SECTION____. Before implementing a new wholesale transmission and distribution market design, the Public Utility Commission of Texas shall provide to the Senate Committee on Business and Commerce and the House Committee on Regulated Industries a report that contains:

(1) an executive summary and detailed description of the changes in the wholesale transmission and distribution market that the commission has ordered, including the effect the new market design is anticipated to have on local congestion costs;

(2) a list of entities, associations, and groups that have submitted comments to the commission on the new market design, classified by whether the comments indicated support for or opposition to the new market design;

(3) a comparison of the new market design to any similar market design adopted in any other state;

(4) a timeline for the implementation of the new market design, including estimated costs of implementation;

(5) the estimated increases in wholesale and retail electricity prices that will be caused in each county in this state by the new market design, projected over the first five years after the date the new design will be implemented; and

(6) the names, business addresses, and telephone numbers of the members of the Texas Nodal Team and of any other quasi-official working group that recommends to the commission the adoption of the new market design.
