

Amend CSHB 2330 by adding the following appropriately numbered SECTION to the bill and renumbering subsequent SECTIONS of the bill appropriately:

SECTION____. Subchapter B, Chapter 28, Education Code, is amended by adding Section 28.0252 to read as follows:

Sec. 28.0252. COMPUTATION OF HIGH SCHOOL GRADE POINT AVERAGE. (a) The commissioner may develop a standard method of computing a student's high school grade point average that provides for additional weight to be given to each honors course, advanced placement course, international baccalaureate course, or dual credit course described by Section 28.025(e)(2)(B) completed by a student. The method must provide for advanced placement courses and dual credit courses to be weighted equally.

(b) A school district may use the standard method developed under this section to compute a student's high school grade point average, and the student's grade point average computed in that manner shall be used in determining the student's eligibility for automatic college admission under Section 51.803.

(b-1) Subsection (b) applies only to students entering grade nine during or after the 2007-2008 school year. This subsection expires September 1, 2010.

(c) The commissioner may adopt rules necessary to implement this section.
