

Amend Committee Amendment No. 1 to **HB 2572** at the end of the unnumbered SECTION added by item (2) of the amendment (Senate committee printing, page 1, between lines 49 and 50) by inserting:

(e) If a service delivery model developed under this section incorporates individuals receiving services through a Medicaid Managed Care Organization or Children's Health Insurance Program Managed Care Organization, the Medicaid Managed Care Organization or Children's Health Insurance Program Managed Care Organization shall retain the responsibility for, and continue to provide services to those individuals as stipulated by their contract with the Commission.

(f) A Medicaid Managed Care Organization or Children's Health Insurance Program Managed Care Organization operation in an area with a service delivery model developed under this section, will attempt to coordinate with the local authority for delivery of services.
